

**WESTLAKE HIGH SCHOOL PARKING AGREEMENT
2017-2018 SCHOOL YEAR**

The Eanes Independent School District provides transportation for students to and from the school to which they are assigned based on residence. Since student transportation is provided by the school district, the operation of a motor vehicle by students on campus is a privilege. Retention of the privilege is based on compliance with state motor vehicle laws and board policies and regulations that govern students. Violation of these laws, policies and regulations will result in loss of the privilege of operating a motor vehicle on campus and other disciplinary actions as appropriate.

In response to student and parent concerns with the frequency of students parking in other students' parking spots, students will be assigned a specific parking lot, versus a specific spot. This change will allow students to pick a spot each day of their own choosing, while still providing them a parking spot in their assigned lot.

The following regulations will be followed in the implementation of the Board of Trustees' Policy on Traffic and Parking Control.

Permit Purchase:

- Senior Permits may be requested beginning April 26, through May 12. If permits are still available after this point, they will be sold again starting Aug. 7, until sold out. Seniors purchasing a parking permit will be assessed a fee of \$150.00 for a full year.
- Junior Permits may be requested beginning April 26, through May 12. If permits are still available after this point, they will be sold again starting Aug. 7, until sold out. There are three (3) twelve week parking periods during the school year. Juniors will be allowed to purchase up to two (2) of the twelve week parking passes for the school year. Parking costs would be \$50 per twelve week period for juniors.
 - Fall parking dates: August 21 – November 10
 - Winter parking dates: November 13 – February 16
 - Spring parking dates: February 20 – May 18
- In order to purchase a permit, students must also have all obligations cleared with the school.
- Permits can be picked up in mid-August. Information will be sent out with specific dates and times in early August.
- Students who complete the Alive at 25 educational program can purchase a permit for half the total cost. The certificate is valid for one year from the completion of the course, and is required to receive the discount. Sign up for Alive at 25 at

www.texasaliveteam.org. Students must show completion certificate at time of permit payment in order to receive the discount.

- All permits must be clearly visible and attached to the front windshield, above the Texas registration sticker.
- Students are responsible for their sticker. The cost of a replacement permit will be the original purchase price.
- **Temporary Parking Permits** are issued to those students who have a regular parking permit and who drive another car to school for whatever reason. This temporary permit is obtained in the Assistant Principal's Office and is free of charge. Please secure a temporary permit the day before using a different car, if possible. If it's not possible, the temporary permit must be secured prior to the start of class on the day it is needed. A pass to class will not be issued to students who are late as a result of obtaining a temporary parking permit.
- Students may **NOT** give, sell, or transfer their permit to another student without approval from administration.

Parking Lot Regulations

- The SPEED LIMIT on Campus is 10 MPH.
- As per Parking Lot Regulations, EISD cannot be held responsible for any vehicle and will not guarantee any vehicle's safekeeping or its contents.

- Illegally parked cars will receive a ticket and may be booted or towed at owner's expense.

- Failure to abide by any regulation or policy of the Eanes ISD or any state law regarding vehicle operation may result in loss of the privilege of operating a motor vehicle on campus. When the privilege is lost, the permit must be removed from the vehicle and returned to the Assistant Principal's office. There will be no monetary refund. Westlake High School reserves the right to revoke a permit at any time.
- Determination of disciplinary action for any violation will be the responsibility of the school principal or designee. The administration of disciplinary action will be conducted in the same manner as that administered for violation of other school rules. Students may receive consequences for tickets that remain outstanding for more than 30 days.
- Students receiving tickets have **three (3)** days from the date of the ticket to appeal. Appeal forms are located under Student Life on WHS home page. Appeals will be reviewed by the parking committee. All decisions will be emailed to the student's EISD email account. Payment must be made within five (5) days of the ruling.
- Parking fines are \$40.00 per ticket.
- Parking fines are payable at the Assistant Principal's office or the Bookkeeper office. **STUDENTS WITH THREE (3) OUTSTANDING TICKETS ARE SUBJECT TO BEING BOOTED AND/OR TOWED.** The student is responsible for paying any towing fees plus any outstanding tickets. When a vehicle is booted, the fine for removal is \$50.00 plus the cost of the outstanding tickets.
- Students may face additional disciplinary consequences on and/or after their **3rd** parking ticket including lunch detention, ISS, and/or revocation of parking privileges.
